

*Gildas*

SAMPLE DRINKS LIST

The Basque tradition of the *taverna* is a space where locals come together as a community to snack on small plates of *pinxtos*, tell stories, and enjoy a drink, specifically one of Jerez's best; Sherry. Sherry is an incredibly versatile wine with food, and should be enjoyed in the true Iberian spirit - seated at the bar, surrounded by people, with shared, delicious food.

From a delicate *Fino*, to the richer expressions of the Sherry spectrum, linger over these drinks as you explore the menu.

## SHERRY AND SHERRY-STYLE

60ml

*Fino* ("refined" in Spanish) is the driest and palest of the traditional varieties of Sherry and Montilla-Moriles fortified wine. This fortified white wine is produced from palomino grapes, aged under a layer of flor.

NV Fino, El Maestro Sierra (Jerez de la Frontera)	16
NV Fino, Bodegas Tradición (Jerez de la Frontera)	25
NV Equipo Navazos, La Bota De Fino 115 (Montilla-Moriles)	29

*Manzanilla* is a dry white fortified wine, almost identical to *Fino* Sherry. The main difference is the location: *Manzanilla* can only be produced and matured around Sanlúcar de Barrameda, a town closer to the sea than Jerez.

NV Equipo Navazos, I Think Manzanilla (Sanlúcar de Barrameda)	22
2022 Manzanilla, Albero, Saca 3 (Sanlúcar de Barrameda)	25
NV Equipo Navazos, La Bota De Manzanilla 93 (Sanlúcar de Barrameda)	31
2017 Manzanilla, Callejuela, (Sanlúcar de Barrameda)	43

60ml

*Amontillado* is a unique wine due to its dual aging process: first under the veil of flor, typical of *Fino* and *Manzanilla*, followed by a period in which the flor dissipates and the wine is exposed to oxidation.

NV Amontillado, Bodega Yuste, Aurora (Sanlúcar de Barrameda)	14
NV Amontillado, Romate, NPU (Jerez de la Frontera)	23
NV Amontillado, Bodegas Tradición, 30 años (Jerez de la Frontera)	38

*Palo Cortado* is a rare style of sherry. Initially aged under flor to produce a *Fino* or *Amontillado*, though loses its veil of flor and begins aging oxidatively as an *Oloroso*.

NV Palo Cortado, Bodegas Tradición, 30 años (Jerez de la Frontera)	48
NV Equipo Navazos, Bota 86 (Montilla-Moriles)	86

*Oloroso* is aged in the absence of flor, in an oxidative manner. This style of sherry starts from a selection of heavier, more full-structured musts than a *Fino*. Usually produced from a second pressing of Palomino grapes.

NV Oloroso, Bodega Yuste, Aurora (Sanlúcar de Barrameda)	14
NV Oloroso, Sanchez Ayala, 20 años (Sanlúcar de Barrameda)	45
NV Oloroso, Bodegas Tradición, 30 años (Jerez de la Frontera)	46

*Cream Sherry* is the general name for different kinds of sweetened Sherries. Usually produced by blending a dry wine like *Oloroso* with naturally sweet *Pedro Ximénez* or *Moscatel* wines.

NV Guitierrez Colosia (Marco de Jerez)	24
NV Poley, Toro Albala, 10 años (Montilla-Moriles)	28

*Naturally sweet Sherry* is produced from *Pedro Ximénez* or *Moscatel* grapes. Harvested late, often dried in the sun before pressing.

NV Pedro Ximénez, El Maestro Sierra (Jerez de la Frontera)	18
NV Pedro Ximénez, Bodegas Tradición, 20 años (Jerez de la Frontera)	54
NV Equipo Navazos, Casa De, Inca (Montilla-Moriles)	27
2002 Pedro Ximénez, Toro Albala (Montilla-Moriles)	39

## COCKTAILS
