

The Basque tradition of the taverna is a space where locals come together as a community to snack on small plates of pinxtos, tell stories, and enjoy a drink, specifically one of Jerez's best; Sherry. Sherry is an incredibly versatile wine with food, and should be enjoyed in the true Iberian spirit - seated at the bar, surrounded by people, with shared, delicious food.

From a delicate Fino, to the richer expressions of the Sherry spectrum, linger over these drinks as you explore the menu.

SHERRY AND SHERRY-STYLE

60ml Bottle

Fino ("refined" in Spanish) is the driest and palest of the traditional varieties of Sherry and Montilla-Moriles fortified wine. This fortified white wine is produced from palomino grapes, aged under a layer of flor.

NV Fino, El Maestro Sierra (Jerez de la Frontera) (750ml)	16	
NV Fino, Bodegas Tradición (Jerez de la Frontera) (750ml)	25	

Manzanilla is a dry white fortified wine, almost identical to Fino Sherry. The main difference is the location: Manzanilla can only be produced and matured around Sanlúcar de Barrameda, a town closer to the sea than Jerez.

NV Equipo Navazos, I Think Manzanilla (Sanlúcar de Barrameda) (375ml)	22	106
2017 Manzanilla, Callejuela, (Sanlúcar de Barrameda)	32	
NV Equipo Navazos, La Bota de Manzanilla 113 (Sanlúcar de Barrameda)	29	

SHERRY AND SHERRY-STYLE

60ml Bottle

Amontillado is a unique wine due to its dual aging process: first under the veil of flor, typical of Fino and Manzanilla, followed by a period in which the flor dissipates and the wine is exposed to oxidation.

NV Amontillado, Bodega Yuste, Aurora (Sanlúcar de Barrameda) (500ml)	15	165
NV Amontillado, Romate, NPU (Jerez de la Frontera) (500ml)	28	175
NV Amontillado, Bodegas Tradición, 30 años (Jerez de la Frontera) (750ml)	38	

Palo Cortado is a rare style of sherry. Initially aged under flor to produce a Fino or Amontillado, though loses its veil of flor and begins aging oxidatively as an Oloroso.

NV Palo Cortado, Bodegas Tradición, 30 años (Jerez de la Frontera) (750ml)	48	525
NV Palo Cortado, Poley, 25 años (Montilla Moriles) (500ml)	35	220

Oloroso is aged in the absence of flor, in an oxidative manner. This style of sherry starts from a selection of heavier, more full-structured musts than a Fino. Usually produced from a second pressing of Palomino grapes.

NV Oloroso, Bodega Yuste, Aurora (Sanlúcar de Barrameda) (500ml)	15	
NV Oloroso, Sanchez Ayala, 20 años (Sanlúcar de Barrameda) (500ml)	45	256
NV Oloroso, Bodegas Tradición, 30 años (Jerez de la Frontera) (750ml)	46	460
NV Oloroso Poley, Toro Albalá, 15 años (Montilla-Moriles) (500ml)	35	220

Cream Sherry is the general name for different kinds of sweetened Sherries. Usually produced by blending a dry wine like Oloroso with naturally sweet Pedro Ximénez or Moscatel wines.

NV Poley, Toro Albalá, 10 años (Montilla-Moriles) (500ml)	28	
---	----	--

Naturally sweet Sherry is produced from Pedro Ximénez or Moscatel grapes. Harvested late, often dried in the sun before pressing.

NV Moscatel, Bodega Alvear (Montilla-Moriles) (750ml)	12	110
NV El Maestro Sierra (Jerez de la Frontera) (750ml)	18	170
NV Pedro Ximénez, Bodegas Tradición, 20 años (Jerez de la Frontera) (750ml)	54	550
2002 Pedro Ximénez, Toro Albalá (Montilla-Moriles) (375ml)	39	195
